

Alcohol and Drugs Policy

Fjord Shipping AS operates a “Zero Alcohol Policy” on all vessel to protect against;

- Harm to people
- Harm to the environment
- Harm to property
- Protect the vital reputation of the Company and Owners.

Zero Alcohol Policy means no alcohol shall be consumed or be carried for consumption on board our vessels.

Maximum permissible blood alcohol content (BAC) for anyone whilst serving on-board a Fjord Shipping Management vessel is 0.00% by vol.

An exemption may be granted by the Management in case the carriage of commercial passengers. Exemption is solely granted to the passengers with the following reservations;

- Quantity brought on board within customs limits as applicable.
- Drinking age of flags flied applies and shall be obeyed / enforced
- For passengers bringing alcohol on board, consumption of alcohol on board is strictly limited to Captains discretion in combination with Company regulation.
- Passengers under influence of alcohol will be denied access to the work boat for transport ship/shore

Exempted vessels;

1. SILVER SUPPORTER
